How to work out Ruling Planet from date of birth:
Date of birth: 25-11-1950
Do the total of date of birth (25) 2+5=7 i.e. Neptune
Ignore first 2 digits of Year of birth (i.e. 19)
Draw blank Table of 3 rows and 3 columns.
Mark Ruling planet number in appropriate box after referring above table.
Proceed to mark numbers starting from date, then month and lastly year.
Planets found missing in the table will not help the person. These planets are called 'Udasin Planets.'

Ruling Planet is Neptune. (7) If we mark the numbers in the table, the Numerical horoscope would be as under:

Parmarthick (Meditation/ GOD etc.)		1 1	
Intellectual level	5 5	7	
Eihik (Luxury)	2		

Figures indicate date of birth. (2, 5 /1, 1 /5, 0) One can say from this Numerical horoscope that a person's intellectual level is good. He has minimum faith in God. He takes decisions from his brain. He does not believe in wasting money on Luxuries. He may get along nicely with persons having ruling planets 3, 9, 2, and 4. He may not get along with nicely with persons having ruling planets 1, 5, 6, and 8. His relationship with spouse will be fine if spouse is ruled by Planets 3, 9, 2, 4. If ruling planet is same for husband & wife, then relationship should be fantastic.

This Numerical horoscope would give bird's eye view about a person and his outlook towards Life.
